

HEARTS HOPE

“Our mission is to allow the Hearts of all to provide Hope to children and families in need”

The Hearts and Hope Foundation, Inc. is a tax exempt 501(c) 3 non-profit organization dedicated to the children in our communities. Due to children with illnesses in our areas and the numerous requests we receive for financial assistance, our board of directors agreed to an annual fund raiser with the proceeds providing financial support to children and young adults affected by cancer and heart defects while also supporting our other programs (Hearts and Hope in Education, Just Smile Hearts and Hope and our House of Hearts and Hope). These are wonderful programs that help many very sick and needy children in our communities.

This year's challenge, our 10th, will once again consist of 64 two-man teams of former athletes, students, alumni, supporters and fans from the University of North Carolina (RAMS) and all of the other ACC schools (RIVALS). In addition to the direct competition on the golf course, these teams will be competing to see which supporters can raise the most money for this wonderful cause. There will be a winner and a loser in this competition, with the overall winners being the children and their families that we help.
